

ATOMIUM

YOUR EVENT, SOMEWHERE BETWEEN HEAVEN & EARTH

A great way to catch your reader's attention is to tell a story. Everything you consider writing can be told as a story.

Dare to experience the Atomium Unmistakable Symbol of Brussels and of Belgium • an international brand image • a unique piece in the history of architecture • most fascinating building of Europe's Capital A unique atmosphere.

Stainless steel domes (18m in diameter) supported by a remarkable metal frame • the most breathtaking panoramic view over Brussels • contemporary and modern lighting, especially designed for the Atomium by the famous lighting designer Ingo Maurer • access to the Atomium's exhibitions
