**WE WORK CLOSELY WITH YOU
TO ORGANISE YOUR EVENT
IN ORDER TO ENSURE ITS
SUCCESS.**

At the Maison de l'Automobile / Huis van de Automobiel you can choose from several meeting and banquet rooms, which can be combined for your event: meetings, dining, and lounging are all possible, as are workshops, conferences or sales trainings. You also have the possibility to exhibit your automobiles or other products in our ultra-modern showroom. All our rooms have natural daylight. We work closely with you to organise your event in order to ensure its success. This personal touch will turn the event into an unforgettable experience for your guests. The Maison de l'Automobile / Huis van de Automobiel is ideally located between the National Airport and the Brussels city centre, near the European Institutions and the Brussels ring road. This location, along with a private parking lot, is a major advantage.
