

THE EGG BRUSSELS

THE EGG BRUSSELS IS A UNIQUE AND FULLY ADAPTABLE INFRASTRUCTURE

The EGG Brussels is a unique and fully adaptable infrastructure that will undoubtedly transform your project into an original and successful experience, from 2 to 999 guests. With its 6000m² and its multiple configurations and combinations, The EGG offers you the opportunity to express your creativity for the organization of seminars, workshops, galas, exhibitions, product launches ...

By its location at the heart of the European capital, close to the South Station (SNCB, Thalys, Eurostar), The EGG also offers easy access for vehicles by the presence of several nearby parking facilities as well as for people using public transport.
