## 1 GARE MARITIME

Gare Maritime is a pioneering hub combining unexpected retail, work and hang out experiences, located along the canal in the progressive city district of Tour & Taxis. It is a destination where all businesses are impact-conscious. A place where innovation and artistry open up debate and action, to impact society for the better and to accelerate the pace by leading the way.

THE PERFECT SPACE FOR innovative cultural events, film or photo shoots, trade shows, fairs, product launches or promotions.

### CAPACITIES

**10.000 persons**

**6.000 m<sup>2</sup>**

## 2 MAISON DE LA POSTE

Maison de la Poste bears witness to Brussels' rethought industrial heritage. Once the post office for the multi-modal transit and logistics hub that Tour & Taxis was in its industrial heyday, Maison de la Poste is now the most unique space for conferences and events in Brussels. With Maison de la Poste creating an unforgettable atmosphere, events here are sure to foster connections and inspire attendees.

Each space has been designed in collaboration with renowned interior designers including Diego Fortuna, Fleur Rossdale, and Benedetti Interieur.

### 3 SHEDS 1 & 2

The conversion of the Sheds into a dynamic events venue is one of the most impactful ways Tour & Taxis has been reenergized in recent years.

One of Brussels' largest and most adaptable events venues, the Sheds host exhibitions, cultural events, fairs and shows that attract visitors from all corners of the globe each year.

The Sheds host fun, engaging and diverse events throughout the year. These include Street Fest, Affordable Art Fair, Collectible, Comic Con Brussels, Brussels Beer Fest, La Foire du Livre to name a few.

## 4 HÔTEL DES DOUANES

The Hôtel des Douanes at Tour & Taxis is more than just a venue, it's an experience !  
A unique blend of heritage, elegance, and modern functionality, it offers the perfect setting for unforgettable events.

Step into history with a venue that embodies early 20th-century architectural grandeur. Designed by Ernest Van Humbeek and completed in 1907, the Hôtel des Douanes retains its original charm – steel columns, a glass-roofed banking hall, wood paneling, and granite staircases – offering a distinctive and inspiring backdrop for your event.

Only available until end 2026 !

### CAPACITIES

**600 persons**

**2000 m<sup>2</sup>**

## 5 ATELIER DES TRACTEURS

The Atelier des Tracteurs is an iconic building that blends industrial heritage with modern redevelopment. Originally a space for the repair and maintenance of agricultural and industrial tractors, this workshop has been carefully restored as part of the site's revitalization. Today, it provides a unique setting for events, offices, and cultural activities, while preserving the legacy of its industrial past.

### CAPACITIES

## 6 QUAI AUX POISSONS

It was once a simple unloading platform for trains entering the Tour & Taxis site. But today, thanks to a magnificent restoration of its open structure, the Quai aux Poissons has become an exceptional venue for your parties and receptions.

With no walls or partitions, but covered by a beautiful natural zinc roof, it offers you the fullness and freedom of the open air, while protecting you from the rain.

### CAPACITIES

**800 persons - 800 m²**

## 7 PLACE DE LA MUSIQUE

Located in front of the Royal Depot and extending to the Park, Place de la Musique is one of the most recent additions to Tour & Taxis. Place de la Musique brings people together in a beautiful, open, and dynamic outdoor space.

In the summer months Place de la Musique becomes a veritable Brussels hot spot. Events as varied as the Color Run, salsa dancing, concerts, and an open-air cinema have all taken place here.

### CAPACITIES

## UNUSUAL VENUES

### Entrepôt Royal

42,000 m<sup>2</sup>

In the late 19th century, Belgian industry was booming. Hence the need for this huge warehouse, which was originally intended for long-term storage.

### Cinéma

198 m<sup>2</sup>

Cosy atmosphere and very comfortable, architectural features of the period and all the technical facilities in the lofts of the Maison de la Poste.

### Basement sheds

20,000 m<sup>2</sup>

Life underground is surprisingly rich, thanks to these very extensive and rough-cut cellars. Many different activities are possible here.

### Parkings

5,000 m<sup>2</sup>

This is clearly a car park. But it's a very special car park! Directors often come here to film highly original shots. Are you interested?

### Alleys

160 m x 14 m (the main alley)

Most are still paved. The alleys transport us to an urban and historic setting, or any setting that you want to create...

### Rooftop

196 m<sup>2</sup>

An unbeatable view: of the site, the canal, smokestack industries, and the city, etc. The Rooftop impresses everyone.

### Park and ponds

4 ha

Greenery, nature and the outdoors in a post-industrial environment. It's astonishing but true ! And only here !

## 1 WOM - WORLD OF MIND

With over 1500 m<sup>2</sup> focused on the five senses, perceptions and illusions, the World of Mind offers you a unique experience that is both scientific and fun. It will make you question everything your brain ever thought about reality.

Surprise your colleagues or clients with a guided visit of the areas or by organising your next event, after-work gathering or for team building in a private space of 100 m<sup>2</sup> in the WOM. If you're looking to enliven the evening, you can add the 'magical touch' of our magician Maxime Mandrake.

## 2 BATTLEKART

With BattleKart, participants don't just play a video game, they are actually IN the game! Thanks to augmented reality, they sit on an electric go-kart zooming around a racetrack that features several different virtual circuits. They ride flat out and interact with both the scenery and other players. Each player rises to the challenge, develops their collaborative side, and learns how to handle the pressure, and so on.

Guaranteed thrills for a visit with the family, a strategy meeting, team building or an incentive trip – which the BattleKart team can also tailor for you.
