Introduction

Plein Publiek BXL is located at the beautiful Palais de la Dynastie on the Mont des Arts in Brussels, right above Brussel central station.

Since opening in March 2019, Plein Publiek BXL established a buzz-worthy reputation in Brussels event scene. A variety of events were hosted, from corporate events to nightlife, live concerts to vintage markets, salsa dance nights to fashion shows and much more!

We offer 4 unique event spaces:

- Our signature greenhouse which houses our contemporary bar and restaurant.
- The balcony, which overviews the greenhouse and the impressive architecture of the Palais de la Dynastie.
- The terrace where you can enjoy the sun with an amazing view on the Mont des Arts.
- A unique 360° room where we organize an exhibition about the Flemish Masters but can be fully customized.

Congé is the company that created Plein Publiek and is "engaging your location into a new destination" since 2015 with different kind of projects and venues.

DIVE

Located in the heart of Antwerp, we invite you to DIVE: Belgium's first digital art and experience centre. Behind the monumental beaux-arts-style façade lies a whopping 4.000 square metres where imagination and innovation converge, and every pixel evokes inspiration. This brand-new venue, once home to Cinema Majestic, where 60.000 lights illuminated the silver screen, is now a dynamic hub where the impossible, becomes possible. With multiple rooms dedicated to connecting people through digital technology, cutting-edge digital technologies are seamlessly combined with events, music and art, creating a multiverse where immersive stories come to life. From engaging immersive exhibitions inspired by old masters to physical and digital interactive events by modern creatives. Dare to DIVE into this unique experience.
