

Skyline

On top of Brussimmo building
Rue de Trèves 74 - 1040 Brussels

The building

Designed by the renowned Belgian architect Philippe Samyn, this iconic building is located in the heart of Brussel's European Quarter. Its double-skin glass façade blends sophistication with functionality, offering abundant natural light and acoustic comfort across 6,450 sqm.

The Skyline is ideally located on the top floor of this building called Brussimmo, right under its impressive dome.

Skyline

The venue

The Skyline is a one-of-a-kind 620 sqm, ready-to-use venue tailored for conferences, gatherings, and private dinners, consisting of 2 adjacent rooms as follows:

Main room:
