THE ROTUNDA

150 STANDING | 110 SEATED | 148 SQM

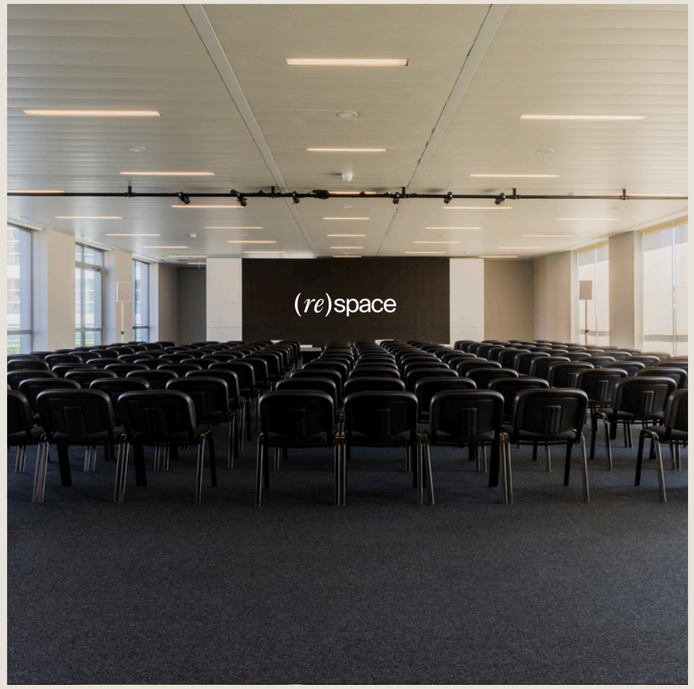

One of the hub’s most distinctive spaces, this elegant half-circle room features a stunning glass-curved façade that bathes the area in natural light, creating an inspiring atmosphere ideal for gatherings of up to 150 guests.

THE GALLERY

400 STANDING | 250 SEATED | 217 + 92 SQM

The second event space, larger and fully modular, offers direct access to the spacious terrace, making it ideal for up to 400 guests and perfect for conferences, receptions, or any event that blends indoor sophistication with an open-air ambiance.

THE GRAND HALL

600 STANDING | 400 SEATED | 328 SQM

Designed for impact, The Grand Hall is our largest event venue, made to bring people together on a larger scale. Spacious, bright and highly adaptable, it provides the perfect setting for conferences, summits, company gatherings and any events that leave a lasting impression.

THE COCKTAIL AREA

100 STANDING | 131 SQM

The cocktail area provides a refined reception setting that comfortably accommodates around 100 guests. Designed as a natural extension of our event spaces, it offers a warm, open layout ideal for networking moments, informal gatherings, and post-conference receptions.

THE LOBBY

200 STANDING | 204 SQM

Serving as both a reception area and a distribution hub to our other rooms, this versatile and modern space can be adapted for large-scale events or more informal moments. With a bar and optional coffee corner, the space is fully customizable to meet the needs of any event.

THE PAVILION

500 STANDING | 500 SQM

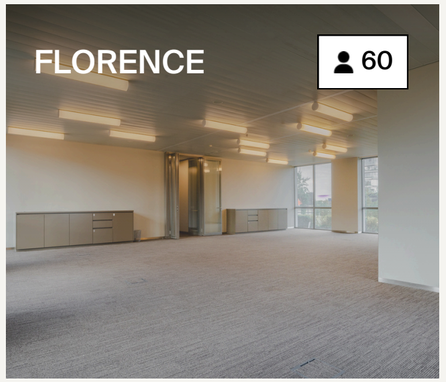

The Pavilion is a spacious outdoor terrace designed to host up to 500 guests in an open-air setting. As a natural extension of (re)space Airport's event offering, it provides a flexible and vibrant environment, ideal for large receptions, summer gatherings, and moments of connection under the open sky.
